

How to set up a JustGiving page

1

Visit

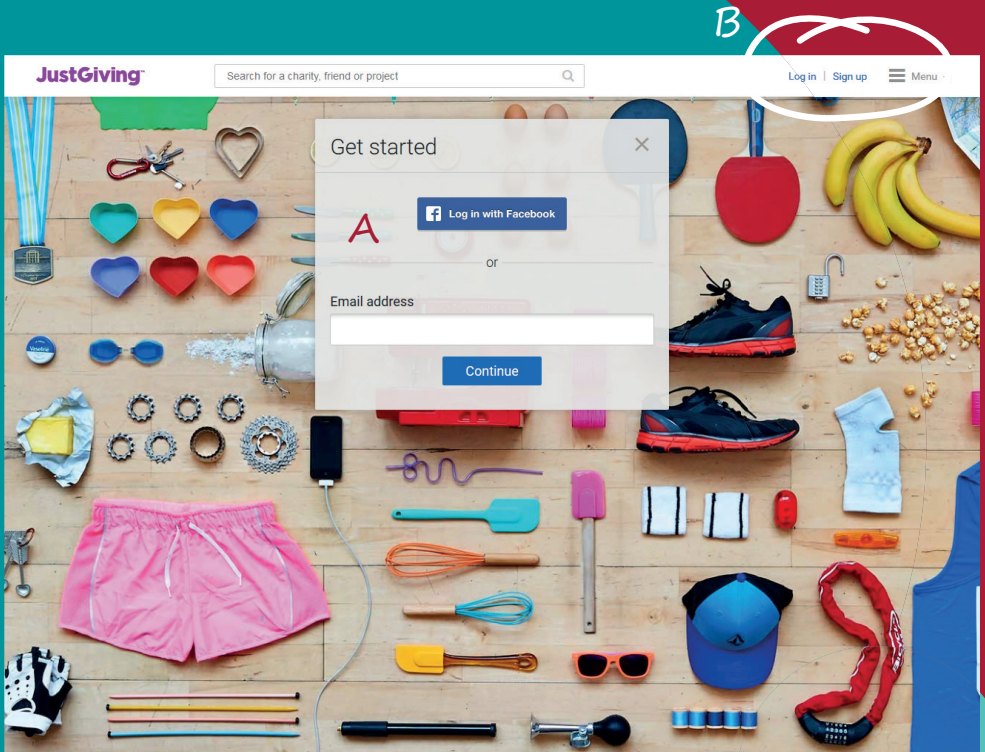

www.JustGiving.com/mytonhospice

Select 'Fundraise for us'

The screenshot shows the JustGiving website for Myton Hospice. At the top left is the JustGiving logo. A search bar contains the text "Search for a charity, friend or project". On the right, there are links for "Log in", "Sign up", and a "Menu" icon. The Myton Hospice logo, featuring a butterfly, is on the left. The main heading is "The Myton Hospices", followed by the text: "We are the only provider of in-patient care to hospice patients in Coventry & Warwicks". Below this is a "Care" button and a "2.6K" indicator. On the right, a red circle highlights the "Fundraise for us" button, with a "Donate" button below it. A "Make a monthly donation" link is also visible. The main content area is divided into several sections: a "Join the The Myton Hospices community" section with contact information; a "£25" section stating it "could cover the cost of one hour's specialist nursing care"; and a list of donations. The donations list includes: "Becky Curran £30.00 + £7.50 Gift Aid" with a testimonial; "Be Active Be Healthy Team £30.00" with a testimonial; "Anonymous £10.00 + £2.50 Gift Aid" with the note "RIP Lynne x"; "Anonymous £50.00 + £12.50 Gift Aid" with the note "In memory of Helen Winnifreth, with our love. Teddy and Nicola"; "Tabby and James Gilchrist and family" with a testimonial; "Julie and Mo £20.00 + £5.00 Gift Aid" with the note "Fond memory of a lovely gentleman. Julie and Mo x"; and "Be Active Be Healthy Team £30.00" with a testimonial. The bottom of the page shows partial images of people and landscapes.

At The Myton Hospices we believe that everyone matters for every single moment of their life, we focus on enhancing life when cure is no longer an option. We are leaders in compassionate end of life care, our work centres on our patients and involving them in decisions about their care. Perhaps most importantly we give them more quality time with their loved ones. Last year we supported more than 1,800 people and their families, in our three hospices, via our patient & family support services, and in the community through Myton at Home.
