Have a look at the difference the money you raise will make:

covers the cost of two hour's specialist nursing care this Christmas

will fund 10 children's bereavement counselling sessions to help a young person who is facing their first Christmas without a loved one

will fund a patient's meals for one week

will fund an inpatient bed for one day for someone who is too ill to spend Christmas at home

will fund a Myton at Home nurse to visit a patient at home over Christmas

would buy a patient specific recliner chair to enable patients to spend time out of bed with their family over the festive period

Raising the money

There are so many ways you can raise money as part of the Festive Fun Days!

Here are just a few ideas...

Pull on your best (or worst!) Christmas jumper, suit, dress or even fancy dress

Bake some festive treats to sell to colleagues, friends, family and neighbours

Host a Christmas quiz

Offer to wrap presents for others

Make and sell 'reindeer food' for youngsters to sprinkle in their gardens

We are also asking people for donations of 'festive sweet treats' to give to patients, families and nurses over Christmas. Anything you can do to support Myton will help to make this Christmas special for our patients and incredible staff!
