Can you help us help us
give the gift of a
Big Christmas Cuddle
to our patients and their
loved ones?

Raising the money

There are so many ways you can help us to raise the £14,500 we need to buy the bed as part of the Festive Fun Days!

Here are just a few ideas...

Pull on your best (or worst!) Christmas jumper, suit, dress or even fancy dress

Bake some festive treats to sell to colleagues, friends, family and neighbours

Host a Christmas quiz

Offer to wrap presents for others

Make and sell 'reindeer food' for youngsters to sprinkle in their gardens

We are also asking people for donations of 'festive sweet treats' to give to patients, families and nurses over Christmas. Anything you can do to support Myton will help to make this Christmas special for our patients and incredible staff!
