Hello, and thank you so much for taking part in an event to fundraise for The Myton Hospices!

Your support helps to ensure that The Myton Hospices can continue to provide our vital services to people living with life-limiting illnesses, and their loved ones, across Coventry and Warwickshire – including the only inpatient hospice beds in the whole of the region.

We also want to let you know about a simple way you can make your fundraising go even further.

Did you know that many employers offer matched funding to staff members taking part in charity events? This means that they will match their employees' fundraising efforts, doubling the impact of your donations!

People are more likely to donate if they know there is matched funding, and are also likely to donate more.

We'd be very grateful if you could ask if your company offers a matched funding programme – if they do, they will do all the work for you, and if they don't, Myton will work with them to set one up, there's no extra effort required on your part.

Please see below our bank details, which you are most welcome to share with your employer:

Lloyds Bank, 30 High Street, Coventry
Account Name - The Myton Hospices
Account No. – 07232786
Sort Code - 30-92-33

As bank transfers can sometimes be tricky to match to specific fundraising efforts, please do let us know once the payment has been made, so that we can ensure it is allocated correctly to your fundraising.

If you have any questions about matched funding, please don't hesitate to contact our Corporate Fundraising team at corporate@mytonhospice.org or on 01926 838835.

Thank you so much for your support – you are making a real difference for our patients and their loved ones.

Best wishes,

The Events Team
